IN-HOUSE EXHIBITION at transfluid®

We are delighted to invite you to the „Innovation Days“, our in-house exhibition. This is an exciting event that we have been holding regularly since 2006. The event gives you the opportunity to learn about our latest products and manufacturing techniques to exchange ideas with our experts and system partners, and gain exciting insights into transfluid® developments.

Date: 12. – 14.03.2024

Location: Germany – Schmallenberg

The official invitation with a detailed programme and more information will follow soon. But we want to make sure you mark this special day in your diary now – a day full of inspiration, networking opportunities and interesting conversations awaits you.

We look forward to spending the day with you and sharing our experiences, so watch out for more information coming your way soon.

We can't wait to welcome you to our in-house exhibition.

Yours sincerely,

L. Bludau

St. Flaep

B. Hümmler
